# Stand for freedom and abortion access.

**Operation Rescue / Operation Save America**, the national anti-abortion organization that's disrupted women's clinics for years, is coming to Columbus, Ohio, this summer. They're slated to join their local supporters for a whole week of activities targeting the city of Columbus. Their targets won't only be clinics - they're taking aim at the foundation of secular, civil government; religious pluralism and diversity; gay businesses and institutions; and the separation of church and state.

**Come to Columbus** and be a part of the response to this attack. Help say **"NO"** to those who work to turn our country into something that looks like a theocracy.
